More About Walk to School Day

How it All Started

Starting in 1997 as just a one-day event, Partnerships for a Walkable America expanded from just the states to becoming an international event in 2000 when the UK, Canada, and the US joined together to promote awareness and safe paths to school.

Organize an Event

The website provides information on learning the basics, FAQs, planning and outreach tools, registering or finding an event, and information on how to keep walking to school year-round. Don't forget to take pictures of the event and tag #5210HC!
