

## **Out of School Activity Bags**

Looking for a way to help families unplug the screens?

West School in Portland came up with an innovative way to support less screen time at home.

1. Create an Alternative to Screen Time Activity Box filled with new and

different activities for kids and families.

Ideas for what to include:

- oFloor puzzles
- OBoard games
- OActivity dice
- Snow block makers

Include items that your students like but don't have access to every day. You want to make sure to include desirable items that the students want!

2. Advertise to families and students.

Let families know that students may 'check out' an Alternative to Screen Time Activity Box for the evening. Consider adding the sentence below to parent newsletters.

Attention ramilles: XXXXX School	oi nas an Ai	ternative to Scr	reen i ime
Activity Box available to check out	overnight!	If you'd like to	have a screen
time free evening, contact	·		

- 3. Develop a check out system. Who is responsible for checking it out? The school nurse? The librarian? Front office staff?
- 4. Keep the box updated with fun and exciting toys!
