## Promotions Worksheet

The 5210 Healthy Children Promotions Worksheet is a tool to help POCs use the items in each toolkit and create promotional materials to run the healthy messaging campaign. Below you will find a list of suggested items to order from a local or online printing company. Be sure to ask for bulk order or any other discounts.

Use this worksheet to get an estimate of promotional items to order. There is a suggested type of unit, or audience, listed for each item and a suggested number of items per unit. Decide how many units are in the community, multiply by # of units, and list under total.
