

5210 Introduction

Biking provides many benefits for your overall health and well being. Biking with family and friends can also provide quality time together. Try organizing a walk and bike school day or even with your neighborhood. Use the challenges to incorporate more bike activities.

Ready...Set...Gear up! Learning to ride a bike is an important skill. But before you get up and go learn the proper safety gear and signals that every bike rider should know and be aware of. Check out <https://bit.ly/2MOOPtU> for helpful bike safety tips. To learn more about 5210 Healthy Children, visit 5210.psu.edu!

It's time to put on those helmets and start biking together with your family and friends. Use <https://bit.ly/2HSd75L> to organize a walk and bike to school event #nationalwalkandbiketoschool #5210HC
